|--------------------------------------|------|----|----|

This lush, concentrated white is a field blend of four variants of the Pinot family: Noir, Gris, Blanc & Auxerrois. Post harvest, the fruit goes directly to press—avoiding the pigment transfer of maceration (this is a white wine - not rosé!). Pure and sweet fuji apple, rainier cherry, citrus blossom and soft spice notes are balanced by savory earth and bright acidity. Beyond being unique and delicious, Deiss is also committed to Biodynamic practices. This richly textured wine is a perfect pairing with Fall's earthy-sweet root vegetables and poultry
